Conditions:

1. Included in our rates are:

- Unlimited mileage
- Additional drivers
- Inclusive of all local taxes

2. Hotel delivery and collection:

- Should be specified when booking is made, and is chargeable at **MUR 800** per way.

3. Child car seats and booster seats:

- Should be specified when booking is made and subject to availability at **MUR 300** per day.

4. Accidents & damages:

- There is a deposit excess to be given upon delivery (the amount depends on the type of vehicle). This is taken in case of accident where the client is found faulty, or if there is any damage to the vehicle or it's lost.
- The excess amount for all categories is a minimum of **MUR 20,000**.
- The excess deposit can be given by credit card or cash and is refundable if no problem has occurred during the rent.
- All fines issued due to violation of road traffic regulations or other laws are to be borne by the customer.

5. Cancellation and no-show policy:

- If you cancel 72 hours or more before rental, you pay nothing.
- If you cancel between 24 to 48 hours before rental, you pay 50% of the rental amount.
- If you cancel between 0-24 hours before rental, you pay 100% of the rental amount.

6. Important rental information:

- Required documents: valid passport and international driving licence
- Fuel policy: any low fuel variation compared to the one shown upon delivery will be charged to customer

Practical Information

- Before you arrive to Mauritius please check with your ministry of transportation at your country of residence if your national driver's license is sufficient for driving in Mauritius, or if an International driver's license should also be presented together with your country's national driving license.
- In Mauritius cars drive on the left hand side whilst priority is for vehicles coming from the right.
- All roads sign posts are of International standards.
- Speed limitations are 40 km/h in agglomerations and 80 km/h on the main open roads. On the Mauritius highway the average speed limitation is 100 km/h and at some parts it is 110 km/h – make sure to follow the speed signs.
