

An exceptional luxury sport fishing yacht designed for long range fishing expedition !

Euphorie is a Doggersbank 65 Sportfisher that was built in the Netherlands by Vripack and completely refurbished in 2017. The yacht is in Mauritius since early 2018 offering fishing safaris and general expeditions around Mauritius and the surrounding banks and outer islands.

The boat is with no doubt the most well equipped and amongst the most luxurious yachts on the island. The yacht is unique in the sense that as much focus has been put in the luxurious finish as for the heavy duty machinery equipment, safety gear and top of the range fishing equipment. This to insure maximum comfort, security and best overall experience to the passengers.
