

Since the 23-coloured Earth was discovered on the 4th of July 1998, “Vallé” has become one of the most famous attractions of Mauritius, which fascinates everyone. Embrace a world where every path whispers adventure and every heartbeat syncs with the wild. At Vallé, Mauritius unfolds in vibrant hues—from cascading waterfalls to adrenaline-pumping trails, every step brings you closer to nature’s pulse.

This nature park offers a unique experience for nature enthusiasts, showcasing indigenous fauna and flora. From the iconic 23-Coloured Earth to immersive trails, waterfalls, wildlife, and sky-high ziplines, Vallé is Mauritius in motion — an Advenature you won’t forget.

Vallé offers an immersive experience that showcases the rich biodiversity of Mauritius, making it a must-visit destination for nature lovers.
