ITINERARY

10 minutes flight – Heli-Sun

From the Triolet base, you will fly over the north coast of the island including Trou aux Biches and Grand Bay.

25 minutes flight – Le Must

The flight route from our Triolet base comprises an overview of the northern landscapes. Admire the swarm of daily activities in Grand Bay and the array of fishing boats from high up the sky.

45 minutes flight – Le Magique

Flight over busy city of Port-Louis before heading to the Albion Lighthouse and flying over green spaces and blue lagoons, you will soon reach Benitiers Island (Ile aux Bénitiers). Overlooking the south-western lagoon is the majestic Le Morne Brabant with the Underwater Waterfall. At last, if you have not been able to climb the Pieter Both and Le Pouce mountain

75 minutes flight – L'Excellence

Flight over the Pieter Both and Le Pouce mountain, headed to the south of Mauritius, the scene of the waterfalls of Tamarins in the middle of greeneries is certainly breathtaking.

After a detour over Benitiers Island (Ile Benitiers), you will be enthralled with the underwater waterfall near Le Morne Brabant. In the east of the island, the Ile aux Cerfs stands out with its unusually white sandy beaches. The Coin de Mire (Gunner's Coin) near Cap Malheureux and the Flat island (Ile Plate) will be the last site as you return to the base of Triolet

ITINERARY

15 mins - FROM CHAMAREL LAVILLEON - Available on Tuesdays and Wednesdays only

Take-off from Lavilleon Adventure Park and enjoy every bit of your helicopter ride.

Start by an overflight of Chamarel, both the seven coloured earth and plunging waterfalls before moving on to Le Morne Brabant. Towering over the lagoon and the luxurious hotels, this site forms part of the UNESCO's World Heritage and has a rich history.

The key moment of this sightseeing tour is the view of the Underwater Waterfall, a famous optical illusion in the azure sea. You will definitely be roped to it by this unique phenomenon. Be sure to have your camera with you to capture this moment!

On your way back to the base, you will be able to admire Ilot Fourneau, the Kite Lagoon and the beautiful beach of La Prairie.

Itinerary: Chamarel, Macondé, Underwater Waterfall, Le Morne, Kite Lagoon, Ilot Fourneau, La Prairie

25 mins - FROM CHAMAREL LAVILLEON - Available on Tuesdays and Wednesdays only

Take off from Lavilleon Adventure Park, in the South of Mauritius, to feast your eyes on some of the most beautiful landscapes! You will first have the opportunity to admire Chamarel, a breathtaking sight of colours and never-ending waterfalls.

The endemic forest of the Black River Gorges will soon come into view, followed by Ile aux Bénitiers and the Crystal Rock. These are popular tourist attractions in this part of the tropical paradise.

Next, you will fly over the majestic Le Morne Brabant mountain, known for being a monument of the escaped slaves back in the 1800's and the sinuous roads around it. It will be just matter of seconds before being captivated by the timeless beauty of the underwater waterfall, an optical illusion which seems so real!

Itinerary: Chamarel – Black River Gorges, Ile aux Bénitiers – Crystal Rock – Le Morne – Underwater Waterfall – Ilot Fourneau – La Prairie – Macondé – Bel Ombre
