

Blue Safari Submarine

Blue Safari Submarine is offering you the opportunity to live a unique, thrilling and memorable experience : diving with the BS 1100 Submarine (10 seats plus pilot) at 35 metres depth. A wonderful experience to share with your family! During this 40-minutes dive, you will view the coral reefs, the fantastic Star Hope wreck, a 17th-Century sheet anchor, and, all through the way, myriads of colourful fish like the surgeonfish, capitaine or kingfish. The BS 1100 is framed and equipped like the archetype legendary submarine, with individual windows viewing out on the underwater world. Inside the cabin, you can watch, live, on a television screen, the impressive immersion of the submarine filmed by a camera from the deck.
