

# Mauritius Helicopter

**Discover Mauritius in a truly original way and makes an unforgettable experience!**

Enjoy a panorama of magnificent lagoons, pristine coastlines, undulating sugarcane fields, and other spectacular views. Tours last between fifteen minutes to one hour, with various itineraries based on flight duration, helipad locations and weather conditions. Let another side of Mauritius unfold beneath you as you rise above a panorama of magnificent lagoons, pristine coastlines, undulating sugar cane fields, and other spectacular views. Customised tours can also be arranged.

## Practical Information

- Landing fees are not included in the rates of Mauritius Helicopter (Upon Request)
- The helicopter flights and itinerary are subject to weather conditions.
- The helicopter flights at the airport are subject to Air Traffic Control.
- The Underwater Waterfall is an illusion and trips are subject to weather conditions.
- Inter-hotel transfer rates are available from Mauritius Helicopter Ltd
- The H125 will typically accommodate 5 passengers, but it can be customised in a 6th seater configuration in a high-density setup.

## Terms and Conditions

- Mauritius Helicopter reserves the right to cancel flights due to adverse weather conditions, technical reasons, operational grounds or for any other reasons that it may consider being valid.
- Mauritius Helicopter shall advise the clients and the agents in case of cancellation of flights and shall refund any payment received in respect of the confirmed booking, unless the clients or agents wish to postpone the flight to another date and time.
- In the event a client or agent cancels a flight (except direct transfers between airport and hotel or vice-versa), such cancellation shall be at least 12 hours prior to the confirmed or scheduled departure time of the helicopter. Should the client or agent fail to cancel the flight at least 12 hours prior to the confirmed or scheduled departure time of the helicopter, a cancellation fee will be applied as follows:
  - 10% of applicable fare for all flights cancelled between 6 and 12 hours prior to the confirmed or scheduled departure time
  - 50% of applicable fare for all flights cancelled between 3 and 6 hours prior to the confirmed or scheduled departure time
  - 100% of applicable fare for all flights cancelled less than 3 hours prior to the confirmed or scheduled departure time
- In the case of direct arrival and departure helicopter transfers (between airport and hotel or vice-versa), once the booking has been confirmed and ticketed, cancellation by a client or agent, will result in a cancellation fee to be applied as follows:
  - 50% of applicable fare for all transfers cancelled from time of confirmation & ticketing of transfer and 24 hours prior to the transfer
  - 100% of applicable fare for all transfers cancelled less than 24 hours prior to the transfer
- In exceptional circumstances where clients fall sick or are unfit to take the helicopter, the officer in charge of Mauritius Helicopter Limited may at his/her discretion cancel the flight at no cost, subject to and provided that the clients have supporting and validating evidence of their sickness or adverse condition which does not allow them to travel by helicopter.

## LUGGAGE HOLD

Depending on weight and operational constraints, we can accommodate the following luggage specifications on the H125 helicopters:

**EITHER** 2 suitcases (dimensions 75x50x30 cm) and 2 cabin hand bags (dimensions 60x40x25 cm)

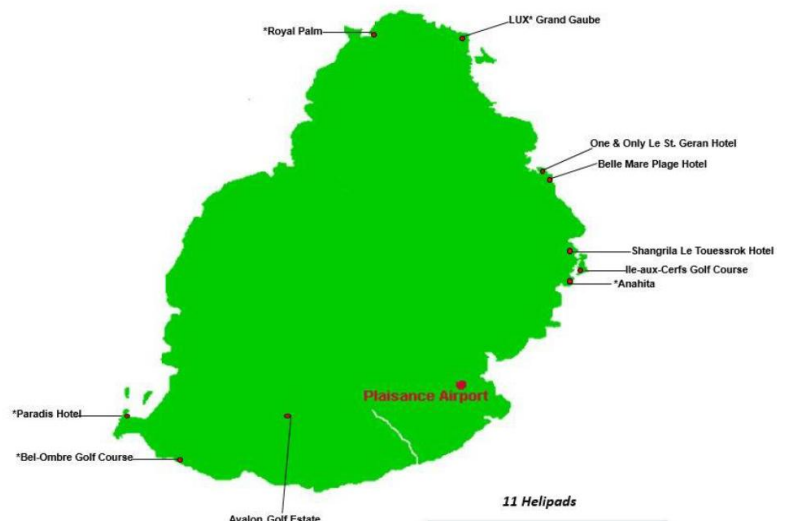

**OR** 5 cabin hand bags (dimensions 60x40x25 cm)
