

# Vitamin Sea – Underwater & Aerial Photography

Introducing this unique idea in Mauritius which recognizes that everyone desires to capture the best photos, be it for social media, an extraordinary vacation keepsake, or simply to express their adoration for the ocean. You will be taken to breath-taking locations with stunning landscapes and scenery. Everything feels fluid, light, and enjoyable underwater! Great photos can still be taken even if you're not entirely comfortable in the water by shooting in shallow waters. Additionally, there will be combined underwater shots and aerial photography to add diversity to the session and provide you with high-quality, professionally edited photographs.

## IMPORTANT INFORMATION

The photographers shoot with an Ikelite underwater housing, a Nikon D7500 and DJI Mavic Pro 2 and offer two photo shooting packages:

- 60min session and 2 photo shooting spots with 30 edited pictures.
- 120min session and 3 photo shooting spots with 45 edited pictures.
- You will be provided with the unedited images, from which you can select your preferred references. The edited images will be shared with you through a WeTransfer link within 15 business days, excluding weekends.
- Please be aware that the height and color of the water marks in the shooting locations are subject to the tides, which is a natural phenomenon beyond our control. Therefore, we cannot guarantee that the pictures you receive will be identical to those displayed on our Instagram page, as conditions may differ or fluctuate from one day to another.
