

We often say, “The West is Best,” and it’s hard to argue with that. The western coast of Mauritius is a paradise, showcasing stunning sunsets, playful dolphins in the morning, and the majestic presence of humpback whales nurturing their calves. Crystal Rock rises gracefully from the lagoon, surrounded by the breathtaking backdrop of the Black River Mountain range and Le Morne Mountain. You can create a customized outing, whether for half a day or a full day, to explore this captivating west and south-west coast. Enjoy the serene lagoon of Le Morne and the beautiful Île aux Bénitiers, where adventure and relaxation await in this tropical haven
